Gentlemen:

This refers to the inspection conducted under the Resident Inspector Program by Mr. D. L. Kelley of this office, covering the period of November 1-30, 1981, of activities authorized by NRC Facility Operating License DPR-40, and to the discussions of the findings by the inspector with members of your staff at the conclusion of each segment of the inspection.

Areas examined during the inspection and findings are discussed in the enclosed inspection report. Within these areas, the inspection consisted of selective examination of procedures and representative records, interviews with personnel, and observations by the inspector.

During the Performance Appraisal Inspection (50-285/81-24), conducted on August 17-28, and September 8-11, 1981, it was found that certain of your activities were not conducted in full compliance with NRC requirements. The specific activities in question are documented in this report. Consequently, you are required to respond to this matter, in writing, in accordance with the provisions of Section 2.201 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations. Your response should be based on the specifics contained in the Notice of Violation enclosed with this letter. Your letter of November 20, 1981, adequately addresses items 3, 4 and 6 (parts c, and e through k), therefore, no additional response is required for these items.

In accordance with 10 CFR 2.790(a), a copy of this letter and the enclosures will be placed in the NRC Public Document Room unless you notify this office, by telephone, within 10 days of the date of this letter and submit written application to withhold information contained therein within 30 days of the date of this letter. Such application must be consistent with the requirements of 2.790(b)(1).

The responses directed by this letter and the accompanying Notice are not subject to the clearance procedures of the Office of Management and Budget as required by the Paperwork Reduction Act of 1980, PL 96-511.
