FROM: Victor Stello, Jr.  
Deputy Executive Director  
Regional Operations and Generic Requirements

SUBJECT: REGIONAL ADMINISTRATOR'S MEETING - MARCH 5-6, 1982

We plan to have a Regional Administrator's meeting on March 5-6, 1982, whose primary purpose will be to discuss future Regionalization plans. If you desire to bring up topics other than Regionalization issues, please let me know the topic and an approximate time required for discussion by February 19, 1982.

It is expected that the discussion on Regionalization will require most of the available time on March 5, and other topics will be scheduled for the following day.

The Program Office Directors involved in Regionalization activities will be informed by a later memorandum on the approximate time on March 5, when those issues will be discussed.
