Docket No. 50-466-CP

February 4, 1982

ORDER
(Granting Alexander Request
For Clarification)

On January 29, 1982, Mr. Robert Alexander submitted a Request For Clarification. Therein, he stated that he had neither received the Staff's response to his Petition For Leave To Intervene dated November 30, 1981, nor had he received the Board's Order which, he understands, denied his petition. Mr. Alexander requests that the Board's Order be served upon him.

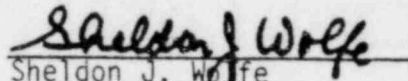

The Board grants the instant request. The Board is attaching to the instant Order a copy of the Staff's Response In Opposition To Robert Alexander's Untimely Petition For Leave To Intervene dated December 17, 1981, and a docketed copy of its Memorandum and Order of January 12, 1982.

Since the Memorandum and Order of January 12, 1982 was not served upon Mr. Alexander, pursuant to 10 C.F.R. § 2.714a, within ten (10) days after the service of the instant Order granting the request for clarification, Mr. Alexander may appeal to the Atomic Safety and Licensing Appeal Board from the Licensing Board's Memorandum and Order of January 12, 1982.
