Docket No. 030-00652

MEMORANDUM FOR: John W. Hickey, Section Leader
Industrial Section
Materials Licensing Branch

FROM: F. D. Fisher, Section Leader
Environmental Radiation and
Emergency Support Section
Uranium Fuel Licensing Branch
Division of Fuel Cycle and
Material Safety, NMSS

SUBJECT: AMENDMENT TO LICENSE NO. 12-00330-05, DOCKET NO.
030-00652, UNIVERSITY OF ILLINOIS AT URBANA-CHAMPAIGN,
TO REDUCE HOLDINGS.

We have reviewed the new possession limits requested in the licensee's letter of January 19, 1982 and find that they satisfy the requirements of Section V of the Order signed February 11, 1981, relative to radiological contingency planning.

Please process the requested amendment. We would appreciate the opportunity to "sign-off" on the amended license at the time of its issuance.

Original Signed by
F. D. Fisher
