SAFEGUARDS INFORMATION

Mr. J.P. McGaughy
Assistant Vice President
Nuclear Production
Mississippi Power & Light Company
P.O. Box 1640
Jackson, Mississippi 39205

Dear Mr. McGaughy:

As indicated in our approval letter of November 18, 1981, approval of the Grand Gulf Nuclear Station Security Program was contingent upon a license condition to be imposed at the time of license issuance.

We are attaching comments related to the proposed license condition as well as other matters of a minor nature identified by Region II inspectors. Plan changes responsive to these comments will obviate the need for a license condition. It is requested that you respond to these comments within 30 days from receipt of this letter.

Should you have any questions concerning these matters, please contact the reviewer, Dale A. Kers at (301) 427-4010.

Sincerely,

PERSONAL SIGNED BY:

A. Schwencer, Chief
Licensing Branch No. 2
