Docket No. 999-0003

Gentlemen:

This refers to a special inspection done by Mr. W. P. Reichhold in response to a complaint that containers with radioactive warning labels had been sent to Wheeler Landfill. The inspection was done between November 27, 1989, and March 12, 1990. There were no violations of NRC requirements found. Our inspection report is enclosed.

In accordance with 10 CFR 2.790 of the Commission's regulations, a copy of this letter and the enclosed inspection report will be placed in the NRC Public Document Room.

We will gladly discuss any questions you have concerning this inspection.

Sincerely,

Bruce S. Mallett
