BRUNSWICK STEAM ELECTRIC PLANT, UNIT NOS. 1 AND 2
DOCKET NOS. 50-325 & 50-324/LICENSE NOS. DPR-71 & DPR-62
FULL DETAILED EMERGENCY EXERCISE SCENARIO

Dear Mr. Ebnetter:

In accordance with an NRC letter from Mr. R. C. Lewis to Mr. E. E. Utley dated October 11, 1984, Carolina Power & Light Company herein submits the full detailed exercise scenario with "controller information" and "simulation data" forty-five (45) days in advance of the Brunswick Plant Annual Emergency Preparedness Exercise. This exercise is currently scheduled to commence on April 3, 1990.

Please refer any inquiries regarding this exercise to Mr. M. F. Thompson, Jr. at (919) 546-7968.

Yours very truly,

L. I. Loflin
Manager
