University of Oklahoma
ATTN: Mr. Wayne Steen, Director
Minority Engineering Program
Norman, Oklahoma 73019

Dear Mr. Steen:

This letter is a followup to my conversation with you on Thursday, April 26, 1990. As you know, I am a Manager in the NRC Region I office in King of Prussia, Pennsylvania and I assist in the NRC's efforts to recruit qualified candidates for positions in our Agency. I am from Oklahoma and am particularly interested in recruiting individuals from that area. I am aware of the organization you represent and of your efforts to promote minority students.

I am confirming that I will meet with you regarding the NRC's program and potential candidates at the University of Oklahoma at 9:00 a.m. on May 25, 1990. I look forward to meeting you and telling you about the NRC and the opportunities available to your students.

Sincerely,
