Mr. Ramon Hall
U.S. Nuclear Regulatory Commission
730 Simms Street, Suite 100
Golden, CO 80401

Dear Mr. Hall:

Enclosed please find 3 copies of the Final Remedial Action Plan (RAP) and supporting documentation for the Green River, Utah site for your review and comment.

Once concurrence is reached and any comments have been incorporated into the document, a signature page for concurrence will be forwarded to you for execution. Following execution of the signature page by all parties, a final version of the RAP will be published and will be incorporated as Appendix B of the Cooperative Agreement No. DE-FC04-81AL16309 between DOE and the State of Utah.

Should you have any questions, please contact Chris Watson of my staff at FTS 845-5657.

Sincerely,

Frank A. Basiljevac

Mark L. Mattheis
Acting Project Manager
Uranium Mill Tailings Project Office
