Dear Mr. Kinnerman:

This letter is to notify you that the undersigned, Milton Kranitz Staff Chemist - Microscopy and X-ray Group, has been designated Radiation Safety Officer. Mr. Kranitz has no formal training in the radiation field and will act strictly as an administrator of the radiation safety policy. He is to act as expeditor of registrations, permits, renewal of permits, etc. Mr. Kranitz will also schedule training sessions, as needed, and in general assure the proper training of all employees working in the area.

Sincerely,

Milton Kranitz
