U.S. Nuclear Regulatory Commission  
Docketing and Service Branch  
Washington, DC 20555

Dear Sir:

Chem-Nuclear Systems, Inc. received 13 copies of the proposed rule making on NRC FEE POLICY. One copy would have been sufficient. Please modify your mailing list so only one copy is sent. Also, the address is several years out of date; it has been corrected on all our licenses and cask certificates. The current address is:

Chem-Nuclear Systems, Inc.  
140 Stoneridge Drive  
Columbia, SC 29210

I have attached a copy of the mailing labels received.

Sincerely,

CHEM-NUCLEAR SYSTEMS, INC.

Mark S. Whittaker  
Corporate Health Physicist
