Dear Mr. DelGeorge:

This confirms our plans as discussed between Ms. D. Liao of this office and Mr. J. Schrage of your staff to hold a meeting at 2:00 p.m. (CDT) on Wednesday, June 2, 1993, at the NRC Region III Office, 799 Roosevelt Road, Glen Ellyn, Illinois.

This meeting is an enforcement conference to discuss two apparent violations with the Unit 1/2 and Unit 2 emergency diesel generators inoperable at the Quad Cities Nuclear Station. At the enforcement conference, you should be prepared to address the issues identified in Inspection Report 50-254/93012(DRP); 50-265/93012(DRP).

We appreciate your cooperation in this matter, and will gladly discuss any questions you have concerning this meeting.
