

UNITED STATES  
NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D. C. 20555

June 13, 1990

ALL AGREEMENT STATES

VISITING FELLOWS PROGRAM (SP-90-103)

Enclosed for your information is a "Call for Nominations" of physicians and scientists having expert qualifications in medical speciality fields of nuclear medicine, diagnostic radiological physics and etc., to participate in a visiting fellows program.

This program is designed to improve NRC's understanding of the regulated community and to keep abreast of recent technological advances.

We ask that you share this notice with your medical licensees. The closing date for the receipt of nominations is August 31, 1990.

A handwritten signature in cursive script, reading "Vandy L. Miller", is written over the typed name.

Vandy L. Miller, Assistant Director  
for State Agreements Program  
State Programs  
Office of Governmental and Public Affairs

Enclosure:  
As stated
