NRC PROPOSED RULE ON MEDICAL QUALITY ASSURANCE

This is to notify you that we will be providing you within the next 2 days by Federal Express a copy of the NRC proposed rule on QA for your review and comments. We are giving you early notification because there will be a very short suspense and we would appreciate you having a knowledgeable staff member available to review and provide this office your comments.

A handwritten signature in cursive script, reading "Vandy L. Miller for", is written over the typed name.
