SUBJECT: Shared Administrative Security Boundary for Indian
Point Units 1, 2 & 3, Proposed Revision to Security
Plan

Dear Mr. McKee:

Enclosed please find a copy of Chapter 11 and revised pages 18, 19, 21 and 24 to the Security Plan for the New York Power Authority's Indian Point Unit 3 (IP3) for your review.

The proposed change to the plant Security plan is based on meetings and conversations held with Mr. Robert F. Skelton, other members of your staff and NRC Region I Security Officials.

This proposed change to incorporate Chapter 11 and revisions to pages 18, 19, 21 and 24 into our Security Plan is being submitted to reflect the shared administrative security boundary for Units 1-2 and 3. This proposed change is being submitted under 10.CFR 50.54(p) as these revisions do not degrade safeguards effectiveness.

The enclosures are identified as Safeguards and Proprietary Information covered under 10 CFR 73.21 and 10 CFR 2.790(d)(1).

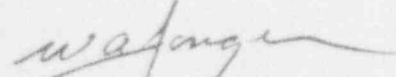

We request that upon receipt of this correspondence, you inventory the contents and return the Document Receipt Forms to Mr. James Fitzsimmons, IP3 Security Manager.

Should you have any questions concerning this submittal please contact Mr. James Fitzsimmons, IP3 Security Manager.
