Re: License No. 34-7225-5

Dear Mr. Brinkman:

attached

Subject to the approval of our Isotope Committee as to, below, please add my name to this license as an authorized user of the light sources containing Strontium 90. Furthermore, please amend the license to authorize a) the use of these sources at the Picker Research Center, 1020 London Road, Cleveland, Ohio, and b) the measurement of the light output of these sources by the Application Engineering Laboratory of the General Electric Lamp Division at Nela Park, East Cleveland, Ohio. The manager of this department is Mr. A. C. Barr.

Sincerely yours,
