Dear Ms. Tucker:

Once again, the Nuclear Regulatory Commission has prepared substitute pages for the NRC Acquisition Regulation to accommodate your needs. These pages present a separate list of subjects entry for each part in 48 CFR Chapter 20. Because these changes affect the substitute pages I sent you on December 14, 1992, to present a table of contents for the revised 48 CFR Chapter 20, I am including new table of contents pages. I have enclosed three sets of substitute pages for your use.

Please replace pages 21 through 21B with the substitute pages 21 through 21C.

Please schedule this document for publication as quickly as possible. In addition, please notify me as to the scheduled publication date. I may be reached on (301) 492-7758.

Sincerely,
