Memorandum For: Walter S. Schwink, Chief
Technical Assistance
Management Section
Office of Nuclear Reactor Regulation

From: William H. Foster, Chief
Policy Branch
Division of Contracts and
Property Management
Office of Administration

Subject: FINAL RULE ENTITLED, "NUCLEAR REGULATORY COMMISSION
ACQUISITION REGULATION"

Pursuant to your telephone conversation with Tim Hagan,
Acting Director, Division of Contracts and Property Management, the
language on access to facilities and fitness for duty requirements
has been removed from the subject regulation. This memorandum
supersedes your office's comments on these two issues identified in
the November 4, 1991 memorandum from Mr. Gillespie to Mrs. Norry.
