SUBJECT: REQUEST FOR OFFICE COMMENTS - PROPOSED NEW RULE
ENTITLED, "NUCLEAR REGULATORY COMMISSION
ACQUISITION REGULATION (NRCAR)"

Attached for your review and comment is the draft Nuclear Regulatory Commission Acquisition Regulation (NRCAR) which will supplement the Federal Acquisition Regulation (FAR) and specify those agency policies, procedures, contract clauses and solicitation provisions governing the contract process. The proposed policies and procedures are consistent with those currently in practice within the agency. No additional requirements are placed on NRC offices or contractors as a result of this rulemaking process.

Please provide your written comments directly to Mr. Edward L. Halman, Director, Division of Contracts and Property Management, Mail Stop P-1114 on or before April 21, 1989. If you have any questions, please contact Mr. Halman on X24347.
