REVISED SECURITY PERSONNEL TRAINING AND QUALIFICATION PLAN

Dear Sirs:

In accordance with the Code of Federal Regulation, Title 10, Part 50.54(p), Carolina Power & Light Company hereby transmits one original and three copies of the Security Personnel Training and Qualification Plan, Revision 6 for the Brunswick Steam Electric Plant, Unit Nos. 1 and 2. This revision involves a slight format change, a title change (Supervisor - Security to Manager - Security), a change to the location of the physical fitness qualification course, changes to the handgun qualification course and the shotgun qualification course, and changes in the ammunition carried by guard personnel.

The revision contains no changes which are known to decrease the effectiveness of the Security Personnel Training and Qualification Plan, nor the level of security provided.

The information attached has been designated as Safeguards Information and should be protected in accordance with the provisions of 10 CFR 73.21. It is requested that those parts of the attachments which are not protected in accordance with 10 CFR 73.21 be withheld from public disclosure in accordance with 10 CFR 2.790(d)(1).

If you have any questions regarding this submittal, please contact Mr. P. D. Leslie at (919) 457-2552.

Yours very truly,

C. S. Hinnant, Director Site Operations
