Division of Material Licensing  
Washington, D. C. 20545

Dear Mr. Buchanan:

Several A. E. C. licenses are issued to various Divisions and Affiliates of the Picker Corporation. Previously, the company names shown on the licenses were the correct legal identification of the companies. Recently, however, all of them have been officially merged to form the Picker Corporation. Listed below are the license numbers, the company identification shown on the license, and the correct legal identification now. Would you please amend your records to show the proper corporate identification for these licenses.

If more information is required, please let me know.

Thank you.

Sincerely,

THE PICKER CORPORATION
