TRAINING: No special training is required for any documents issued with this Change Notice.

REMARKS: IMC 1245 Appendix D1, "Maintaining Qualifications," has been revised to expand the time allowed for training deviation requests that can be granted for all inspectors by a Regional division director from six months to one year. Added the expectation that when training waivers are provided, inspectors should return to the original training schedule. Updated inspector refresher training programs and added new training requirements for inspectors who are performing POV/MOV inspection activities. Removed outdated references and reformatted the layout of this IMC.
