Re: Wisconsin Electric Power Company
Point Beach Nuclear Plant, Units 1 and 2
Docket Nos. 50-266-OLA and 50-301-OLA

Dear Judge Bloch:

Enclosed is the supplemental pre-filed testimony of R. A. Wiesemann in the above-styled proceeding. The presiding administrative law judges, the NRC staff and Decade will have a copy delivered via Federal Express on March 24, 1982. Mr. Shomaker has agreed to arrange delivery by messenger for all those associated with the NRC in Washington, D.C., in order to avoid having the testimony delayed in the NRC's internal mail system. All other parties are being served as explained in the Certificate of Service.

Affidavits from Messrs. Wiesemann and Christopher attesting to the truth of their testimony are being prepared and will be mailed as soon as possible.

Very truly yours,

Francis X. Davis
