EXET NUMBER
IMPOSED RULE *Misc. Notice*
(Reg Guide)

Secretary of the Commission
US Nuclear Regulatory Commission
Washington, DC 20555

Attention: Docketing and Service Branch

Dear Sir:

I recently became aware of a draft regulatory guide "Training and Experience Criteria for Radiation Safety Officers Responsible for Large Scale Radionuclide Programs", published in December 1980 as OH 722-4. I would appreciate very much receiving a copy of this document since the copy I have is barely readable. I would also like to know when the comment period expires.

Thank you.

Sincerely,

Anthony R Benedetto
Anthony R. Benedetto, M.Eng.
Assistant Professor
Division of Nuclear Medicine
