Dear Members of the Board,

Pursuant to our discussions yesterday, I have been authorized by Counsel for the NRC Staff and the Licensee to present for your approval a schedule for briefing the UCS exceptions to the TMI-1 Restart decision. This schedule has been agreed to by these parties. It would require UCS to hand-deliver to Messrs. Cutchin and Baxter by 5 p.m. on April 14 the completed UCS Brief on Exceptions. All other dates in your Order of March 24, 1982 would remain as stated therein.

This latter is of particular importance to the Licensee so that the process of reviewing the appeals can continue.

Thank you very much.

Very truly yours,

Ellyn R. Weiss
