Re: Long Island Lighting Company;
Shoreham Nuclear Power Station,
Unit 1; Docket No. 50-322 O.L.

Dear Administrative Judges:

In the Conference Call of counsel earlier today, this Board made certain rulings regarding the security proceeding. Pursuant to the Board's directive, I enclose a Confirmatory Order relating to these matters.

I have not had an opportunity to read the Order to the Staff. I read the Order to LILCO counsel who had no objection, except for review of the EASI analysis. LILCO counsel wanted to contact his client regarding the EASI analysis and will advise the Board and the other parties if LILCO has any objection.

Suffolk County notes that the EASI analysis is specifically referenced and relied upon in the security plan at several points. Accordingly, Suffolk County feels strongly that it should be available for review.

Sincerely yours,

Lawrence Coe Lanpher

CONFIRMATORY ORDER REGARDING
SECURITY PLAN REVIEW

Upon consideration of the comments of counsel during a Conference Call on March 29, 1982, and confirming the oral rulings made by the Board during that Call, it is this _____ day of _____, 1982:

ORDERED:

1. The Board's March 15, 1982 Memorandum and Order is amended to delete the requirement that Suffolk County submit security contentions on or before April 2, 1982. Instead, Suffolk County, LILCO and the Staff will jointly submit on or before April 14, 1982, a statement of the security contentions, if any, which are submitted for litigation. To the extent feasible, the Staff, LILCO and the County will also jointly submit versions of the contentions with all protected data deleted.

2. Mr. Herbert H. Brown is authorized to review the LILCO security plan and other data which are provided for review. A copy of Mr. Brown's Affidavit of Non-Disclosure is attached hereto.

3. The County's experts and counsel are authorized to review security materials at the NRC's offices in Silver Spring, Maryland (the Wiltsie Building), as well as at LILCO's offices on Long Island. The NRC Staff will provide necessary facilities to permit such review consistent with the need to safeguard protected data.

4. In addition to the security plan, the County's experts and counsel are also authorized to review the contingency plan, the security plan implementing procedures, the so-called "EASI" analysis referenced in the security plan (in Chapter 12 among other places), and the Staff's review of the LILCO security plan.
