PROD. & UTIL. FAC.

2224 Spaulding Ave.
Berkeley, Ca. 94703

4/3/82

Nunzio Palladino APR -3
NRC Chairman

Dear Sir,

I am totally against
The opening and operation
of the Diablo Canyon Nuclear
Plant. I feel we've made a
big mistake but are big
enough to admit it and
stop the dangerous and
anti-social development
of nuclear power plants.

Yours Truly
(while I'm still alive!)

Don Patmont-Madden
