In the Matter of  
 Cincinnati Gas and Electric Company, et al.  
 (Wm. H. Zimmer Nuclear Power Station, Unit No. 1  
 Docket No. 50-358)

Dear Administrative Judges:

Reference is made to the Staff's Proposed Findings of Fact filed on April 23, 1982. There is a correction we wish to make on Page 38. The word "not" was inadvertently omitted from the sentence starting in the middle of line 6 in paragraph 3 on that page. The sentence should read as follows: "This plan item does not require that a specified amount of stored feed be on site."

We would appreciate your making the correction as noted.

Sincerely,

Myron Karman  
 Deputy Assistant  
 Chief Hearing Counsel
