Dear Mr. Bauer:

RE: TMI Action Plan Item II.K.3.3, Reporting Relief Valve and Safety
Valve Failures and Challenges for the Peach Bottom Station Units 2&3

We have reviewed your responses dated June 19, 1980 and March 31, 1981 to the above TMI Action Plan item. You have committed to meeting the reporting requirements provided in our previous guidance including a report on relief valve (RV) and safety valve (SV) failures and challenges for the period 4/1/80 through 12/31/80 and future reporting of RV and SV failures and challenges. No further review of this item by NRR is planned. Because you have committed to meeting the above reporting requirements, we consider this item resolved for your facilities.

However, we wish to formalize these reporting requirements; therefore, we will contact you in the future requesting that you administratively incorporate the reporting requirements in your Technical Specifications.

Sincerely,
