Independent Design Review
Grand Gulf Nuclear Station Unit 1
Mississippi Power & Light
Job No. 82026/P. O. No. M70782

Gentlemen:

Please find enclosed the subject report by Cygna Energy Services. This Interim Report documents the presentation made to the NRC on April 20, 1982, during the Site Readiness Appraisal. It represents the status of the review during the sixth week of a proposed ten-week program.

At the request of Mississippi Power & Light, copies of this report are also being forwarded to the Bechtel office in Gaithersburg, Maryland.

If you have any questions concerning the report, please feel free to contact me.

Very truly yours,

Ted T. Wittig
