In re: METROPOLITAN EDISON COMPANY
(Three Mile Island Nuclear Station, Unit 1)
Docket No. 50-289-SP (Restart Proceeding)

Gentlemen:

Although you petitioned to be and were admitted as parties or participants in these proceedings, none of you have ever appeared or been represented at an evidentiary session nor have you in any other way participated in this proceeding since the hearings began. Nevertheless since you continue to have party status, it has been necessary to carry you upon the service list. This has caused considerable inconvenience and expense to the other parties, some of whom are pro se intervenors paying personally their own litigation expenses. Unless you communicate with me within ten days, I shall excuse the litigating parties from serving you. You would continue to receive Board and Commission issuances, but if you do not want even this service I would appreciate it if you would so advise me.

Very truly yours,

Ivan W. Smith, Chairman
Atomic Safety and Licensing Board
