In the Matter of
COMMONWEALTH EDISON COMPANY
(Byron Station, Units 1 and 2)
Docket Nos. 50-454, 50-455

Dear Ms. Shoemaker:

The Appeal Board has calendered oral argument in the captioned proceeding for May 13, 1982. As explained in its March 31 letter, the Staff did not take a position on, or participate in the litigation of, the issues involved in the subject appeal at the Licensing Board level, nor did it file an appellate brief on the issues. Accordingly, the Staff does not intend to present oral argument.

Sincerely,

Steven C. Goldberg
Counsel for NRC Staff
