Dear Mr. Smith:

Subject: Visit of Jacques Furet

Following the visit of Mr. Furet to the Oconee site, the Senior Resident Inspector informed me that the Duke Power Company, your own staff, and you personally, went out of your way to show Mr. Furet every courtesy and convenience to maximize the benefits he derived from his visit.

I wish to extend to you my personal thanks for this level of cooperation. While it is indicative of the level of cooperation that your organization has shown to similar visitors in the past, I believe a reexpression of our appreciation is always warranted. Would you please extend my personal appreciation to those of your staff who contributed to making Mr. Furet's visit so productive.

Sincerely,

JS
