**Date:** Tuesday, February 18, 2020 6:17:22 PM

---

I am writing to urge you to reconsider hiring Holtec for decommissioning Indian Point.

This is a highly populated area - and any mistake can short-term or long-term spell disaster!

Please, please - find a company with a proven safety and quality track record that can do this job while keeping the population safe now - and in the long-term future.

Thank you!
