

GENERAL SERVICES ADMINISTRATION

Region 9

450 Golden Gate Ave., Box 35084
San Francisco, California 94102

October 22, 1969

Director of Licensing and Regulations
U. S. Atomic Energy Commission
Washington, D. C. 20545

Dear Sir:

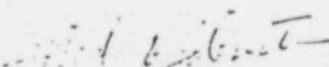

Subject: Portion, Veterans Administration Center
Los Angeles, California -- 9-V-Calif-514-I

Attached for your information are the following concerning the subject 50-acre parcel of land, which has been reported by the Veterans Administration to General Services Administration for further Federal utilization or disposal:

1. Copies of 2 drawings showing the location of the 50-acre tract.
2. Copy of a memorandum dated February 19, 1969, furnished our office by the Veterans Administration, regarding disposal of radioactive waste at this location.
3. Copy of our letter dated July 25, 1969, to the Veterans Administration.
4. Copy of the reply from Veterans Administration dated August 12, 1969.

It is understood that radioactive material is being buried on the subject 50-acre tract of land under AEC Use License No. 4-181-4. Information is requested as to what effect, if any, the existence of this License has on use of the 50-acre tract of land. Also, please let us know if any restrictive or limiting conditions should be imposed on use of this property.

Sincerely,

FRED H. JOHNSTON
Chief, Real Property Division
Property Management & Disposal Service
