

P. A. Morris, Asst. Director for
Reactors, Division of Compliance, EQ.

November 16, 1961

Robert W. Kirkman, Director
Region I, Division of Compliance

WATERTOWN ARSENAL REACTOR, WATERTOWN, MASSACHUSETTS

CO:I:JRS

Enclosed is a report on a visit to the Watertown
Arsenal Reactor.

In our opinion, the operation and use of this reactor
represent a negligible risk of hazard to the health
and safety of the public. We thoroughly endorse the
continued surveillance of operations by an independent
outside consultant.
