Gentlemen:

This refers to the inspection conducted by Mr. M. V. Annast of this office on July 21-22, 1977, of the UFTR physical protection program provided pursuant to NRC License No. R-56. This refers also to the discussions held with Dr. J. Carroll at the conclusion of the inspection.

The area examined during this inspection was your physical protection program and its implementation. Within this area, the inspection consisted of selective examinations of procedures and representative records, interviews with facility personnel and observations by the inspector.

Within the scope of this inspection, no items of noncompliance were disclosed. A copy of the inspection report is attached.

In accordance with Section 2.790(d) of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, documentation of the findings of your safeguards and security measures is exempt from public disclosure; therefore, the report will not be placed in the Public Document Room.
