DEAR MR. CARTER - CHAIRMAN

SERVED JUN 25 1982

I WOULD LIKE TO MAKE A WRITTEN
STATEMENT TO THE INDIAN POINT ATOMIC SAFETY
BOARD. MY CONCERN IS THE DANGERS OF NUCLEAR
POWER - THEY CAN LAST ~~FOR~~ ALMOST INDEFINITELY.

I WON'T BE PRESENT TO SPEAK BUT WILL MAIL
THE RESPONSE TO THE BOARD, SINCE IT'S ^{CONVENIENT} ~~CONVENIENT~~.

SINCERELY YOURS,

Matt Brennan

LETTER U
ON OTHER
SIDE

JUNE 7, 1982

CHAIRMAN
U.S. NUCLEAR REGULATORY COMMISSION
WASHINGTON DC 20555

DEAR CHAIRMAN

I AM DISSAPPOINTED THAT YOU CONTINUE
TO LEAVE THE INDIAN POINT REACTORS OPERATING DESPITE
PUBLIC PRESSURE TO HOLD SAFETY HEARINGS.

I WOULD LIKE YOU TO HOLD THE HEARINGS AS
SOON AS POSSIBLE. IT DOES NOT MAKE SENSE TO
OPERATE A NUCLEAR REACTOR NEAR A METROPOLITAN AREA
WITH ^A 10% U.S. POPULATION - NOT TO MENTION THE
CHAOS, HEALTH, ~~AND~~ GEOLOGICAL AND LONG TERM HAZARDS.
I WOULD HAVE TO SAY - FOR THE PEOPLE'S SAKE - THAT
SPEED IS ESSENTIAL IN HOLDING THE HEARINGS. ^{PLEASE} I WOULD
LIKE TO BE NOTIFIED AS TO WHEN AND THE
LOCATION OF THE HEARINGS THAT WILL TAKE
PLACE.

TRULY YOURS,
Matthew Brennan
