COMMISSIONER

UNITED STATES  
NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D.C. 20555

December 23, 1981

MEMORANDUM FOR: William J. Dircks, Executive Director  
for Operations  
FROM: *P.B.*  
Peter A. Bradford  
SUBJECT: HAYWARD TYLER PUMPS

I would like the following information concerning the Hayward Tyler Pumps: (1) the plants utilizing these pumps for safety significant purposes; (2) the systems in which these pumps are installed; and (3) pump failure rate information for Hayward Tyler pumps of these types.

To the extent possible, I would like this information for each year after 1975.

A response is requested by January 15.
