Reference: Docket No. 50-285
IE Inspection Report 82-02

Dear Mr. Collins:

The Omaha Public Power District responded to Violation A of the subject Inspection Report by letter dated April 21, 1982. The District's response identified one licensed operator who was scheduled to be re-examined by April 23, 1982 in the category of the annual requalification examination in which he received a score of less than 80%. The subject operator has taken and successfully completed the re-examination by achieving the required score. The purpose of this letter is to inform you that the District is presently in full compliance.

Sincerely,

W. C. Jones
Division Manager
Production Operations
