I am requesting this information for the use of the Sierra Club and members of the public. I would like to request a waiver of any fees associated with the gathering or copying of this information because we are a public interest group. The main functions of our group are to gather information, educate our members and the public and participate in local, state and federal meetings or hearings. The information that you will make available to us will not be used in a commercial manner because we are a volunteer environmental organization.

I would like to request this material to have a clearer understanding of the current and past history of the Bert Avenue site and a complete understanding of your agency's involvement and activities on site.

For any documents or portions of documents that you deny due to a specific FOIA exemption, please provide an index itemizing and describing the documents or portions of documents withheld. The index should provide a detailed justification of your grounds for claiming each exemption, explaining why each exemption is relevant to the document or portion of the document withheld.

Thank you in advance for sending these materials. I look forward to your response to this request within ten days.

Sincerely,

Chris Trepal, Conservation Chair, Northeast Ohio Sierra Club
