

JUL 13 1990

Dr. Richard Perry
Deputy Assistant Administrator
for Cooperative Interaction
U.S. Department of Agriculture
Room 102
Bldg. 005 BARC
Beltsville, MD 20705

Dear Dr. Perry:

On May 17, 1990, I wrote to you inviting your participation in an interagency meeting on an environmental rulemaking being undertaken by the U.S. Nuclear Regulatory Commission (NRC). This meeting was held on May 23, 1990. Enclosed is a package of materials on the meeting for your information. Included in these materials are a memorandum summarizing the major comments and questions raised during the meeting, a list of attendees and briefing materials which were handed out at the meeting. I am sorry you or your representative were not able to participate in that meeting.

I anticipate that the advance notice of proposed rulemaking and the notice of intent to prepare a generic environmental impact statement will be published in the Federal Register about July 17, 1990. You will be sent a copy of these notices. If you wish to be briefed on this rulemaking we would be pleased to do so.

For further information you may contact Donald Cleary, of my staff, at (301) 492-3936.
