**Subject: Windsor Decommissioning Funding Plan -
Extension for Response to NRC Questions**

Reference: Letter, M. Tokar (NRC) to G. C. Kersteen (CE), dated August 2, 1993

Dear Dr. Tokar:

The referenced letter requested additional information concerning our decommissioning funding plan submitted on July 2, 1992. A 30 day response was requested. As we discussed with Dr. Sean Soong after review of the requested information, we find that additional time will be necessary to complete our response. Accordingly, we propose an extension until November 2, 1993, for our response.

If I can be of further assistance, please feel free to contact me at (203) 285-5002.

Very truly yours,
