## UNITED STATES OF AMERICA BEFORE THE NUCLEAR REGULATORY COMMISSION

In the Matter of Gulf States Utilities Company (River Bend Station)

Docket No. 50-458

## WITHDRAWAL OF CONDITIONAL PETITION TO INTERVENE OF THE MUNICIPAL ENERGY AGENCY OF MISSISSIPPI

On April 26, 1993, pursuant to this Commission's March 18, 1993 Notice (as published in the <u>Federal Register</u> on March 25, 1993), the Municipal Energy Agency of Mississippi ("MEAM") filed in this docket its Response of Municipal Energy Agency of Mississippi to Notice of Consideration of Transfer of Control of Licensee and Opportunity for Public Comment on Antitrust Issues and Conditional Petition to Intervene. This Commission has not yet acted upon the petitions to intervene, such as MEAM's, filed in this docket on other than health and safety issues.

MEAM hereby notifies this Commission that it has reached an accommodation with Entergy Systems, Inc. ("ESI"), acting for itself and as agent for the Entergy operating companies, which resolves the objections which MEAM has previously asserted to the proposed merger of Entergy Corporation with Gulf States Utilities Company which is the subject of these dockets. In consequence, MEAM withdraws its objections to the merger, and

9309150310 930909 PDR ADOCK 05000458 withdraws its conditional petition to intervene dated April 26, 1993.

Respectfully submitted
