

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D.C. 20555-0001

AD69-1

MEMORANDUM FOR: Donald H. Lanham
Nuclear Document System (NUDOCS), Mail Stop P1-37
Office of Information Resource Management

SEP 08 1993

FROM: Anthony N. Tse
Regulation Development Branch
Division of Regulatory Applications
Office of Nuclear Regulatory Research

SUBJECT: INDEX AND DOCUMENTS FOR REGULATORY HISTORY FILE OF A
PROPOSED RULE (10 CFR PARTS 30, 32, AND 35) ON MEDICAL USE
OF BYPRODUCT MATERIAL

Enclosed are an index and the documents for regulatory history file of a proposed rule. This proposed rule, entitled "Preparation, Transfer for Commercial Distribution, and Use of Byproduct Material for Medical Use," was published on June 17, 1993 (58 FR 33396).

Each document that can be made available to the public document room is marked "PDR" in the upper right-hand corner of the front page. Documents that cannot be made available to the public are marked "CF" on the front page. As requested by M. Lesar of ADM in his memorandum dated June 21, 1993, documents marked "CF" are grouped after the documents marked "PDR."

If you have any questions, please call me at 492-3797.
