Dear Mr. Vassallo:

In a letter dated July 3, 1982 to you from Mr. C. R. Dietz, Carolina Power & Light Company (CP&L) requested revisions to the Operating Licenses for the Brunswick Steam Electric Plant Unit Nos. 1 and 2. These changes were to allow continued operation of Brunswick 1 during an interim period until corrective maintenance could be completed on Diesel-Generator No. 2.

This letter is to remit the required license amendment application fees to NRC. As determined in our July 3, 1982 letter, a Class III and a Class I fee are required. Accordingly, our check for \$4,400.00 is enclosed in payment of these fees.

Yours very truly,
