Re: Docket No. 40-8907
SUA-1475

Dear Mr. Hall:

Regarding your letter of September 23, 1993, please be advised that upon its receipt we revisited our request and now find that we had misinterpreted certain contour line designations as pointed out by Mr. Ray Gonzales of your staff during a recent telephone conversation. The approved reclamation plan contains the correct map so that no revision will be required.

Thank you very much for your prompt response.

Sincerely,

Juan R. Velasquez
