dated June 28, 1990.

(b) W.E. Morgan letter to NRC dated
May 25, 1990.

Dear Sir:

Reference (b) transmitted LaSalle County Station's request for the
scheduler extension of two HED's and to "accept as is" seven HED's that were
earlier committed to and approved by the NRC in Reference (a).

In a teleconference with Mr. James Bongarra of your staff on June 19,
1990, Mr. Bongarra approved the request for the scheduler extension and to
"accept as is" the HED's discussed in reference (b).

This letter documents that approval.

Please direct any questions you may have regarding this matter to this
office.

Very truly yours,

Wayne E Morgan
