Mr. Leroy Norderhaug
Senior Physical Security Inspector
U.S. Nuclear Regulatory Commission, Region V
1450 Maria Lane, Suite 210
Walnut Creek, CA 94596

Dear Mr. Norderhaug:

Enclosed please find the amended page 11 of the ARRR Security Plan as per the voice-mail message that I left you on this date. The changes are all minor and all in the very last paragraph. I have enclosed a copy of the DOE letter requesting these changes so that you can see what changes were made.

Please substitute this new amended page for the old one in the plan that I sent you. I hope that this minor change is acceptable to the NRC without a change in title page, because the DOE has now accepted our plan effective upon incorporating these changes.

If you need any other changes, please call me at the above number.

Sincerely yours,

Sandra L. Warren
Security Officer
