Contract No. NRC-02-91-007 Modification No. 7 Page 2 of 3

The purposes of this modification are to (1) increase the contract ceiling by \$14,932 from \$379,281 to \$394,213, and incrementally fund the contract in the amount of \$14,932; (2) revise Task 1, Subtask C.1.1.B; (3) revise the indirect cost rates and (4) change the name of the contract administrator. Accordingly, the contract is hereby modified as follows:

 Section B, Article B.3 CONSIDERATION AND OBLIGATION--COST REIMBURSEMENT is revised as follows:

a. "The total estimated cost to the Government for full performance under this contract is \$394,213."

b. "The amount presently obligated with respect to this contract is \$394,213."

2. Section C.1, Statement of Work, Task 1, Subtask C.1.1.B is deleted in its entirety and substituted with the following:

The Contractor shall provide an interim draft report on the results of rock durability studies and field testing performed to date. The Contractor shall also provide two interim draft reports, one on the results of indoor and outdoor flume studies, and one on the field gullying studies. The three reports shall summarize the testing and data collection performed and shall provide design procedures and recommendations that can be used in licensing applications.

The three draft reports shall be provided to the NRC staff for review as follows:

## Topic of Report

6 2

Date of Submission

Flume Simulations Field Gully Studies Rock Durability July 30, 1993 August 31, 1993 September 15, 1993

The NRC staff will provide comments within two weeks of receipt of each of the draft reports. The final records shall be submitted in final form by September 30, 1993.

As applicable, portions of the interim reports shall be incorporated into the final report which are to be submitted at the completion of the project.

The estimated Level of Effort for this revision is approximately one man-month of the PI's support and approximately 100 man-hours of the assigned graduate student's support.

Contract No. NRC-02-91-007 Modification No. 7 Page 3 of 3

A summary of obligations for this contract, from award date through the date of this action, is given below:

Total	FY91	Obligation	Amount:	\$100,000
Total	FY92	Obligation	Amount:	\$180,200
Tota1	FY93	Obligation	Amount:	\$114,013

Cumulative total of NRC Obligations: \$394,213

This modification obligates FY93 funds in the amount of \$14,932.

All other terms and conditions of the contract remain the same.

3. Section G, Article G.1 INDIRECT COST RATES is amended to included the following predetermined (fixed) rates:
